

AWAKENING CHRIST CONSCIOUSNESS

Brian's soul-stirring music softens the heart and gently guides the heart into the Presence of Christ.

Sunday March 19th
2pm to 3:30pm
at Carmel Temple

Bask in the holy vibrations of mantra music and reverential sound of the harmonium, calling forth the awakening of the soul. Brian speaks in a dynamic way about the nature of Truth and Love.

Brian has held hundreds of these "satsangs" at yoga studios, churches, and spiritual centers all over the US and Canada. Satsang is an immersion into profound states of consciousness through dharma talk, energy healing, mystical mantra, sweet harmonium music and guided meditation.
